MATHS

Time

Can you tell the time on your clock at home?

What time is teatime? What time is breakfast time?

Fractions

If you are having a pizza or cake...
Can you make a half? Can you make a quarter?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Question' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:-

- Describe key aspects of what they have been learning
- Recall key facts and knowledge
- Explain how something works and if appropriate demonstrate their skill in this area
- Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding
- Make links with what they already know, have experienced and are able to do

We hope you enjoy talking with your child about their learning in school!

COMPUTING

Creating Media – Digital photography

Which devices can take photographs?

When would you use portrait and when would you use landscape?

ART

Sculpture and 3D:

Clay Houses

Can you tell your family what a sculpture is?

Can you use play-dough at home to create your own sculpture? *Maybe you could push objects (e.g. Lego) into it to make interesting marks. Maybe you could try to make your own thumb pot.*

MUSIC

Do you or your family know a song about friends?

Can you tell me what you like about the song? Can you sing the chorus?

RELIGION AND WORLDVIEWS

The Church

What makes a place special?

Where is your special place?

Why is the church a holy place for Christians?

Why do people of faith have special buildings where they gather to worship?

PSHE

Relationships

What makes a good friend? Can you write a list?

Can you do something today on your list to make a good friend?

COLLECTIVE WORSHIP

PERSEVERANCE

- What does it mean to endure?
- What makes endurance hard?
- Who helps us?
- What thoughts make endurance easier or harder?
- Can anything positive come out of something hard?

PE

Swimming

Can you pack your own swimming bag for Tuesday? *Remember your healthy snack!*

Can you put on your goggles?

Can you practise getting dressed for school all by yourself?

HISTORY

Why is a castle built the way it is?

Can you make a castle?

You could make it out of Lego or junk.

Can you name the different parts of your castle?
