Dear Parents

Please can I remind you that if you need to speak to your child's teacher or a member of staff, our school office will be happy to help either via telephone or in person; the office is manned from 8.30am at the latest in the morning. We are always more than happy to pass a message on, or if it is before 8.50am, we can generally arrange for you to speak with the class teacher straight away.

The only access to school for parents and visitors is via the main entrance. This procedure is not to create a barrier between parents and school but simply to ensure the safety of all of our pupils, staff and visitors and so that we are aware of who is in the building at all times. Please do not access school via any other entrance, including through Breakfast and After School Club. Thank you very much for your co-operation with this.

Thank you to everyone who managed to make it to one of our library launch events this week. If you did not get a chance to see our revamped library and would like to do so, it will be open during parents' evenings next week.

Yours sincerely

Mrs J Paisley
