<p><u>ENGLISH</u> <i>Reading</i></p>	<p>How are you doing with your reading? If you would like any more reading books, let me know and I can sort some out for you. It would be helpful to know which colour book band you are on as I am sure some of you have moved up since I last saw you.</p> <p><u>Comprehension – Samuel Pepys’ Diary</u> – read the <u>comprehension</u> then answer the questions.</p> <p>Remember <u>Oxford Owl website</u> for extra books.</p> <p>Username: class2stm password: Class2</p> <p><u>Ruth Miskin website</u> for phonics</p>
<p><i>Spellings/Handwriting</i></p>	<p>Practise the spellings using the <u>handwriting sheets</u> then test yourself on Friday. Use the <u>wordsearch</u> to help with your skimming and scanning skills.</p>
<p><i>Writing /SPAG</i></p>	<p><u>SPAG 1</u> choose the level which best suits you (-, = or +)</p> <p><u>SPAG 2</u> – Mr Whoops’ Spelling Activity</p> <p>Imagine that you are Samuel Pepys and write a diary of the Great Fire of London in your own words. You may like to watch the link to Magic Grandad to learn more about Samuel Pepys and help you with your ideas.</p>

<p>OPTIONAL TASKS:</p>	<p>Have a go at using a tea bag to stain some paper then use this to write your diary so it looks like the diary is very old.</p> <p>Find out more about Samuel Pepys on the <u>BBC website</u> listed below.</p> <p>Colour a piece of paper in lots of different colours, make sure you don’t leave any white bits at all. When you have finished colour over the entire page with a black crayon. When the page is completely covered, scratch off some of the black, to make a bonfire picture. Alternatively, click on the Youtube link below to find another way to make <u>scratch art</u>.</p> <p>Practise your typing skills on the <u>BBC Dance Mat website</u></p> <p><u>Bucket challenge</u>:</p> <p>You will need two buckets (or large containers), a cup and a litre of water. Pour the water into one of the buckets then place it 5 metres from the other bucket. (I would suggest you do this outside!) Then, with the cup, transfer all the water to the other bucket trying not to spill any. You could give yourself a time limit then measure how much water you have been able to transfer in the time. You could then challenge other members of your family to see who can transfer the most, or, if you have more buckets, you could make it into a race. Let me know how you get on!</p>
