# POLICY STATEMENT

## 1. Introduction

In their document 'Behaviour and Discipline in Schools – advice for head teachers and school staff', the Department for Education (DfE) have set out the legal powers and duties that govern behaviour and attendance in schools and explains how they apply to teachers, governing bodies, pupils and parents.

Every school must have a Behaviour Policy in order to meet the requirements of Section 89 of the Education and Inspections Act 2006 (maintained schools)/Education (Independent School Standards) (England) Regulations 2014 (Academies).

Section 78 of the Education Act 2002 requires that the curriculum for a maintained school must promote the spiritual, moral, cultural, mental and physical development of pupils at the school and of society which, in turn, prepares pupils at the school for the opportunities, responsibilities and experiences of later life. Guidance for schools on the promotion of fundamental British values of democracy, the rule of law, individual liberty and mutual respect of those with different faiths and beliefs is available from the DfE. (November 2014).

The Governing Body is responsible for setting general principles that inform the Behaviour Policy and procedures. Governors of maintained schools are required to have a 'Statement of Behaviour Principles' which is a statutory document. (DfE – Policies and other Documents that Governing Bodies and Proprietors are required to have by Law). Head teachers are responsible for developing the Behaviour Policy and supporting procedures, based around the 'Principles' required by the Governing Body, and deciding the standard of behaviour expected of pupils at the school and how that standard will be achieved, the school rules, rewards for good behaviour and any disciplinary penalties for breaking the rules.

In terms of staff and other adults, any person whose work brings them into contact with children including volunteers must follow the principles and guidance outlined in the school Code of Conduct for Staff and Other Adults. In addition to this Code of Conduct, all employees engaged to work under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2011 (updated 2013)' and in relation to this Code of Conduct, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

The procedures which support the Whole School Behaviour Policy must include measures to prevent all forms of bullying among pupils.

This Policy and procedures should be read in conjunction with other school policies.

## **Our Values and Ethos**

*St Michael's C of E Primary School (hereinafter called the School) is fully committed to every child receiving the very best education and to ensuring that all pupils reach their full potential. In order to achieve this, teachers aim to deliver outstanding lessons and the school rightly has high expectations of its pupils. We expect all members of the school community to uphold our schools values:*

**RESPECT**

**CHALLENGE**

**PERSEVERANCE**

**KINDNESS**

**FORGIVENESS**

*These values are regularly explored, promoted and celebrated both in class, around the school and in our Collective Worship.*

*For the School to achieve a positive ethos it is essential that all members of the school community work well alongside each other and develop positive working relationships (this includes all staff and other adults working in the School, pupils and parents). Having a positive ethos helps to ensure good behaviour from pupils in school. Young people learn by example and as such, having high standards of behaviour expectations from all parties involved in their education will create adults with similarly high behaviour standards.*

*Through the promotion of pupils' spiritual, moral, social and cultural (SMSC) development within the curriculum, we will positively promote fundamental British values. In order to achieve this we will:*

- *enable pupils to develop their self-knowledge, self-esteem and self-confidence;*
- *enable pupils to distinguish right from wrong and to respect the civil and criminal law of England;*
- *encourage pupils to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the school and to society more widely;*
- *enable pupils to acquire a broad general knowledge of and respect for public institutions and services in England;*
- *further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of and respect of their own and other cultures;*
- *encourage respect for other people; and*
- *encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.*

*We recognise that consistency is crucial in maintaining high standards of behaviour alongside a culture that celebrates success and is not based solely on sanctions. To this end, the School is committed to promoting and rewarding good behaviour. We are also committed to a united approach to managing behaviour in and out of school.*

*The School will not tolerate bullying or intimidation of any description. A complaint of bullying will always be taken seriously.*

## 2. Aims

*Our school aims to ensure that every member of the school community feels valued and respected, and that each person is treated fairly and well. We are a caring community, whose values are built on mutual trust and respect for all. Our school's Whole School Behaviour Policy and procedures is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote the overall well-being of pupils and staff and an environment in which everyone feels happy, safe and secure.*

*The Whole School Behaviour Policy and procedures confirms the school commitment to:*

- *ensure that each child can develop and achieve his/her full potential, educationally, morally {and spiritually};*
- *provide a safe and attractive environment where everyone feels welcome, happy and secure; free from disruption, violence, bullying and any form of harassment*
- *provide each young person with the motivation and confidence to learn effectively;*
- *promote self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect;*
- *promote a culture of praise and encouragement in which all pupils can achieve;*
- *provide every pupil with appropriate high quality teaching through a broad and balanced curriculum which is appropriately differentiated to meet each pupil's individual needs;*
- *teach children to respect themselves and others and to take responsibility for their own action and behaviour;*
- *help teachers and other staff manage behaviour problems that can inhibit effective learning for all children, and to realise that we cannot always deal with problems by ourselves and that we have colleagues and other agencies who are willing to assist;*
- *help young people to understand how behaviour affects others and the world around them;*
- *create a partnership of support and effective communication between home, school and the wider community;*
- *provide young people with an informed view of life and develop a strong sense of right and wrong enabling them to become thoughtful, caring members of society;*
- *value each and every child regardless of ability, race, gender or religion;*
- *maintain, develop and consistently apply high standards within the school and enable teachers and other school staff to develop and use their own professional expertise.*

*The aim of this Policy and supporting procedures is to determine the boundaries of acceptable and unacceptable behaviour, and introduce rewards and sanctions and to determine how they will be fairly and consistently applied.*

*In order to achieve this, the school will:*

- *make clear its expectations of good behaviour, through assemblies, class/school council meetings and in published documents;*
- *reward achievements, awarding house points, Dalston Dollar points, Celebration Certificates, etc.*
- *treat every member of the community as individuals and respect their rights, values and beliefs;*
- *create a zero tolerance environment against all instances of bullying or discrimination on the basis of race, gender, ability or cultural differences;*
- *provide positive examples for modelling behaviour;*
- *promote good relationships and a sense of belonging to the community;*
- *intervene early to challenge undesirable behaviour;*
- *follow and apply consistently clear guidelines when responding to instances of unacceptable behaviour.*

## 3. Communication

The School Governors are required to ensure that this Policy and procedures are published on the school website. A copy of this Policy and procedures is also available on request.

## 2. Celebrating Success

At our school we regularly celebrate the success of all pupils in a variety of ways as we recognise that focusing on success and positive outcomes is essential in developing a positive culture and ethos across the school. The many ways we celebrate success are listed below and will be reviewed by pupils, parents and staff during the academic year.

- Verbal praise in class or around school
- Weekly Celebration Assembly – where individual and group achievements are celebrated and shared.
- Sharing and celebrating success during lesson time
- House Points and Dalston Dollars awarded
- Sharing successes with the Headteacher or another member of staff as appropriate
- Letting parents know when something good has happened
- Learning displayed around the school

## 3. Sanctions and Consequences

Although this school aims to focus on positives, there are unfortunately occasions when a minority of pupils let themselves, the school and others down through their unacceptable or inappropriate behaviour.

We want pupils to take responsibility for their behaviour and will encourage pupils to do this through approaches which enable pupils to reflect on their behaviour and to make amends. This process does not, however, replace consequences. At our school, we know that consistency is essential for pupils to understand what is expected of them and to avoid mixed messages. It is vital that children learn early on in life that there are always consequences for poor and unacceptable behaviour which undermine the positive atmosphere of our school community.

In class we operate a Traffic Light system. Pupils will receive a warning and have their name moved to amber for the first incidence of inappropriate behaviour. This may be: disturbing the learning of others, speaking inappropriately to a member of staff or another child, deliberate failure to follow instructions, etc. Amber acts as a warning to the child, to allow the time to consider their behaviour and modify it to avoid further consequences. If however the child continues with this behaviour they will be placed on red and a lunch time detention given. All names are returned to green at the end of every lesson period. Allowing a fresh start.

More serious behaviours eg. Fighting will not be subject to the warning traffic light system. A lunch time detention may be given immediately or after consideration between staff members a child may be removed from the class for a period.

All behaviour incidents should be logged by the teacher dealing with the incident on Scholar Pack. If a pattern emerges or the inappropriate behaviour persists parents will be contacted by either the class teacher or Headteacher.

We are mindful in school that certain pupils may require our behaviour procedures to be modified slightly in order to meet their needs. Some individual systems are in place and these will be detailed in an individual's Positive Behaviour Plan. This may involve a child being removed from class for a period to allow them to reflect on their behaviour and calm down in order for them to be in a better frame of mind for learning.

### **3.1 Sanctions and Disciplinary Action**

There is a clearly defined process for issuing sanctions in this school. Where possible pupils are issued with a warning to enable them to rectify their behaviour though there are times when the nature of the behaviour does not warrant a warning as it is so serious. The school can use a wide range of consequences for poor behaviour which are outlined in more detail below.

#### ***Screening, Searching and Confiscation***

The school follows Government advice when confiscating items from pupils which is outlined in their document "Screening, Searching and Confiscation – Advice for Head teachers, Staff and Governing Bodies – February 2014 (A copy of this document is available to download from the Gov.uk Website).

The following items are what are termed 'Prohibited Items' and their presence on school premises or if found on an individual pupil will lead to the highest sanctions and consequences:

- Knives
- Firearms/weapons
- Illegal drugs
- Alcohol
- Fireworks
- Tobacco and cigarette papers
- Pornographic or unsuitable images
- Stolen items
- Any article that the member of staff (or other authorised person) reasonably suspects has been, or is likely to be, used:
  - i) to commit an offence,
  - ii) to cause personal injury to, or damage to the property of, any person (including the pupil)

The school will confiscate any electronic items being used inappropriately on the premises such as mobile phones, digital media devices etc. Pupils should avoid bringing mobile phones into school wherever possible. If there is a need for the child to have them in school they should be handed into the school office for safe keeping. If the phone is not given to the office it remains the responsibility of the child. Under no circumstances should the phone be switched on or used during school time.

Staff in this school have the right to confiscate, search and ultimately delete any media which they "reasonably suspect" is being used to bully or otherwise cause an individual harm. Depending on the seriousness of the media, information may also be reported to the Police.

Pupils wearing any accessories or jewellery which do not follow the School Uniform Policy can expect to be asked to remove these. Any jewellery worn in school remains the responsibility of the child.

### ***Removal from Class***

Where a pupil fails to respond to repeated warnings and reminders to improve an aspect of behaviour which disrupts the learning of others, they can be removed from class and sent to the Head teacher or Assistant Head as appropriate. Pupils may also be removed from class for more serious misconduct without the use of warnings.

### ***Detention***

Lunch time detentions are used when a pupil is moved to red on the traffic light system. They are also used for more serious offences which do not fit with our traffic light system. Staff may also issue their own break and lunchtime detentions to resolve inappropriate behaviour from pupils. During detentions pupils are set relevant academic work or given the opportunity to reflect on an aspect of their behaviour.

### ***Other examples of sanctions***

- Verbal warning
- Moved seat or place – to sit by an adult / or to work on your own.
- Missed playtime
- Time out in another class – completing work in another class.
- Time out with senior staff.

### ***Fixed Term Exclusion***

We will endeavour to avoid exclusion from school at all costs. A decision to exclude a pupil for a fixed period is taken only in response to very serious or persistent breaches of the school's Whole School Behaviour Policy and procedures, including persistent disruptive behaviour, where these are not serious enough to warrant permanent exclusion and lesser sanctions such as detention are considered inappropriate.

### ***Permanent Exclusion***

A decision to exclude a pupil **permanently** will be taken only:

- a) in response to serious breaches of the school's Whole School Behaviour Policy and procedures; and
- b) if allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school

A decision to exclude a pupil **permanently** is a serious one and will only be taken where the basic facts have been clearly established on the balance of probabilities and taking into account all the circumstances, the evidence available and the need to balance the interests of the pupil against those of the whole school community. It will usually be the final step in a process for dealing with disciplinary offences following a wide range of other strategies which have been tried without success. It is an acknowledgement by the school that it has exhausted all available strategies for dealing with the pupil and will normally be used as a last resort.

There will, however, be exceptional circumstances where, in the Head teacher's judgement, it is appropriate to permanently exclude a pupil for a first or 'one-off' offence.

### ***Exclusions - The Right of Appeal and Legal Duties***

Depending on the type of exclusion, in most cases, parents have the right to make representations to the governing body. In all cases of permanent exclusion, parents have the additional right to appeal to an independent appeal panel.

The school has a duty to provide suitable full-time education for the excluded pupil from the sixth school day of any fixed period of exclusion of more than five consecutive school days. Local Authorities are under a duty to provide suitable full-time education from the sixth school day of a permanent exclusion.

## **Home School Agreements**

All pupils are issued with a Home School Agreement which they are asked to discuss with their child and sign and return. This forms a contract between home and school and we ask that parents support us in ensuring the agreement is fulfilled.

## **4. Attendance and Punctuality**

The school is required by law to keep a record of pupil attendance. In an emergency, such as a fire, it is essential that we have an accurate record of who is in school. Good attendance and punctuality are essential for good learning. They are also essential skills for later life.

If pupils are late or do not attend:

- Parent should telephone the school in the morning on the first day of their child's absence and all following days.

On returning to school, it is the pupil's responsibility to seek advice on completing any work missed.

We strongly discourage parents from taking their children out of school for holidays or family outings during the school term. The Head teacher is no longer able to grant any leave of absence during term time unless there are 'exceptional' circumstances. Absences taken without the authorisation of the Head teacher will be recorded as 'unauthorised'.

## **5. The Use of Reasonable Force**

In order to maintain the safety and welfare of our pupils, it may sometimes be necessary to use reasonable force on a pupil, as permitted by law.

The Governing Body have taken account of advice provided by the DfE - *Use of reasonable force: advice for head teachers, staff and governing bodies* and the school's public sector equality duty set out in section 149 of the Equality Act 2010.

Force is generally used for two different purposes, either to control pupils or to restrain them. Control can mean either passive contact (standing between two pupils or blocking a pupil's path) or active physical contact (leading a pupil by the hand or arm, ushering a pupil away by placing a hand in the centre of the back).

All members of school staff have a legal power to use reasonable force. This power also applies to people whom the Head teacher has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying pupils on a school organised visit.

Any use of force by staff will be reasonable, lawful and proportionate to the circumstances of the incident and the seriousness of the behaviour (or the consequences it is intended to prevent). Reasonable force will be used only when immediately necessary and for the minimum time necessary to achieve the desired result and in order to prevent a pupil from doing or continuing to do any of the following:

- committing a criminal offence
- injuring themselves or others
- causing damage to property, including their own
- engaging in any behaviour prejudicial to good order and discipline at the school or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

Force will **never** be used as a punishment.

Whether it is reasonable to use force and to what degree, also depends on the age and understanding of the pupil and whether they have Special Educational Needs or disabilities. Medical advice will always be sought about the safest way to hold pupils with specific health needs, special educational needs and disabilities.

## 5.1 Action as a result of Self-defence or in an Emergency

All staff including teaching assistants, lunchtime supervisors, admin staff and the site management have the right to defend themselves from attack, providing they do not use a disproportionate degree of force to do so. Similarly in an emergency, if for example, a pupil was at immediate risk of injury or at the point of inflicting injury on someone else, any member of staff is entitled to intervene. A volunteer helping in school would not be expected to work with a child who is known to need physical restraint as indicated in their Behaviour Management Plan.

## 5.2 Circumstances in which reasonable force might be used

Circumstances in which reasonable force might be used include the following:

- Pupils found fighting will be physically separated.
- Pupils who behave in a way which disrupts a school event or a school trip or visit may be physically removed from the situation.
- Restraint may be used to prevent a pupil leaving a classroom where allowing him or her to do so would risk their safety or lead to disruptive behaviour. This may also include leading a pupil by the arm out of a classroom.
- Pupils at risk of harming themselves or others through physical outbursts will be physically restrained.
- In order to prevent a pupil from attacking a member of staff or another pupil.
- To prevent a pupil causing injury or damage by accident, by rough play, or by misuse of dangerous materials or an object.

## 5.3 Power to Use Reasonable Force when Searching Without Consent

In addition to the general power to use reasonable force, the Head teacher and authorised staff can use such force as is reasonable given the circumstances to conduct a search for 'prohibited items'. See Section 3.1 above.

## 5.4 Unreasonable Force

The type of force which will never be acceptable in our school includes:

- holding round the neck or any other hold that might restrict breathing;
- kicking, slapping or punching;
- forcing limbs against joints (e.g. arm locks);
- tripping or holding by the hair or ear;
- holding face down on the ground.

## 5.5 Staff training

All members of staff will receive training about the use of reasonable force appropriate to their role to enable them carry out their responsibilities. This will include training on any restraint techniques which must not be used because they are known to present an unacceptable risk when used on children and young people. The majority of staff will receive additional training on the appropriate techniques which may be used to physically restrain pupils. Team Teach training will be used to fulfil this.

These techniques will only be used on rare occasions and every staff member is familiar with and will in the first instance use de-escalation techniques:

- Keep calm and positive.
- Avoid confrontation, persistent negative interaction and sarcasm.
- Keep your voice low as much as possible.
- Serious or unresolved concerns should be discussed with the Headteacher.
- Avoid physical restraint unless absolutely necessary – if the child or others are in danger.
- Ensure a written record of any positive handling is kept.

- Discuss with a parent or carer.
- Make use of the “Help Card” system to alert other staff members of the need for assistance.
- Use our agreed “Help Script” to offer support to other staff.

## 5.6 Positive Behaviour Plans

A pupil with a known challenging behaviour, a medical condition which affects behaviour patterns or who has special educational needs may be the subject of a Positive Behaviour Plan. This Plan sets out specific ways in which the behaviour is controlled whilst on school premises and during any off-site visit

In such circumstances, parents will always be made aware of their child’s Positive Behaviour Plan and will be asked to contribute to the content and control measures implemented in an attempt to apply consistency of sanctions and rewards both in school and at home. Wherever possible and appropriate, the child concerned will also be involved in creating the Positive Behaviour Plan.

## 5.7 Informing Parents when Reasonable Force has been used

In accordance with current good practice, the school will speak to parents about serious incidents involving the use of force and will record such serious incidents.

In making a decision about informing parents, the following will be taken into account:

- the pupil’s behaviour and level of risk presented at the time of the incident;
- the degree of force used;
- the effect on the pupil or member of staff concerned; and
- the child’s age.

All incidents when ‘physical restraint’ as opposed to ‘physical control’ is used will be recorded as soon as possible and details passed on to the Head teacher (or deputy in the absence of the Head teacher) who will follow up the incident where necessary. The following must be recorded:

- all incidents where unreasonable use of force is used;
- any incident where substantial force has been used e.g. physically pushing a pupil out of a room;
- use of restraint;
- an incident where a pupil is distressed though clearly not overreacting.

The following criteria will be used when considering the need for recording:

- Did the incident cause injury or distress to a member of staff or pupil?
- Even though there was no apparent injury or distress, was the incident sufficiently serious in its own right? Any use of restrictive holds, for example, fall into this category;
- Did the incident justify force? This is particularly relevant where the judgement is finely balanced;
- Does recording it help to identify and analyse patterns of pupil behaviour?

If the answer to any of the questions is ‘yes’, a written record should be made and held in a secure central location.

In all instances of the use of physical restraint, parents will be informed the same day, by phone and in writing, and invited into the school to discuss the incident unless to do so would result in significant harm to the pupil, in which case, the incident will be reported to the Cumbria Safeguarding Hub by the Head teacher/DSL.

All injuries will be reported and recorded in accordance with school procedures.

## 5.8 Post Incident Support

Serious incidents can create upset and stress for all concerned. After the incident ends it is important to ensure any staff and pupils involved are given first aid treatment for any injuries. Emotional support may also be necessary. Where required, immediate action will be taken to access medical help for any injuries that go beyond basic first aid. The school will then make a decision about how and when to contact the

parents of the pupil to engage them in discussing the incident and setting out subsequent actions. After the incident the Head teacher and/or other staff will:

- (a) ensure the incident has been recorded;
- (b) decide whether multi-agency partners need to be engaged and, if so, which partners;
- (c) hold the pupil to account so that he or she recognises the harm caused or which might have been caused. This may involve the child having the chance to redress the relationship with staff and pupils affected by the incident. It may also mean the child is excluded.
- (d) help the pupil develop strategies to avoid such crisis points in the future and inform relevant staff about these strategies and their roles;
- (e) ensure that staff and pupils affected by the incident have continuing support as long as necessary in respect of:
  - physical consequences
  - emotional stress or loss of confidence
  - analysis and reflection of the incident

## 5.9 Follow up

In many cases there will be a follow-up meeting of key personnel to discuss the restraint incident and review the Positive Behaviour Plan or other plans for pupils. It might also be appropriate to review the Whole School Behaviour Policy and/or supporting procedures.

## 5.10 Other Physical Contact with Pupils

This school does not operate a 'No touch Policy'. There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary.

- Holding the hand of the child at the front/back of the line when going to assembly or when walking together around the school.
- When comforting a distressed pupil.
- When a pupil is being congratulated or praised.
- To demonstrate how to use a musical instrument.
- To demonstrate exercises or techniques during PE lessons or sports coaching.
- To administer first aid.
- To apply sunscreen to the arms, face or lower legs of very young pupils or those with special educational needs who might struggle to apply it appropriately themselves.
- To appropriately deal with a child with medical needs.

# 6. Allegations of Abuse against Staff and Other Adults Working in the School

## 6.1 General

All children and adults have a fundamental right to be protected from harm. All allegations of abuse will be taken seriously.

The Governors of the School have a duty to safeguard and promote the welfare of children and create and maintain a safe learning environment (section 175 of the Education Act 2002). Our policy is to identify where there are child welfare concerns and take action to address them, in partnership with other organisations where appropriate, and in accordance with local inter-agency procedures.

School staff have a positive role to play in child protection, as their position often allows them to be able to observe outward signs of abuse and changes of behaviour in children. Because of their role however, they are also open to accusations of abuse. Such allegations may be true, but they may also be false, misplaced or malicious.

In order to fulfil its commitment to the welfare of children, this School has a procedure for dealing with allegations of abuse against members of staff and volunteers and other children.

The procedure aims to ensure that all allegations are dealt with fairly, consistently and quickly and in a way that provides protection for the child, whilst supporting the person who is the subject of the allegation.

In the event that a member of staff does not wish to report an allegation directly, or they have a general concern about malpractice within the school, reference can also be made to the school's Whistle Blowing procedures.

The procedure complies with the framework for managing cases of allegations of abuse against people who work with children, as set out in the statutory guidance 'Keeping Children Safe in Education' published by the DfE and the Cumbria SCB Core procedures.

## 6.2 Action in the Event of a Malicious Allegation

If an allegation is determined to be unfounded or malicious, the LA appointed Designated Officer (DO) will be informed via Cumbria Safeguarding Hub and will refer the matter to local authority children's social care services to determine whether the child concerned is in need of services, or may have been abused by someone else. In the event that an allegation is shown to have been deliberately invented or malicious, the Head teacher will consider whether any disciplinary action is appropriate against the pupil who made it, or the police will be asked to consider whether any action might be appropriate against the person responsible, including situations where the individual concerned was not a pupil. Such cases may be dealt with under the Protection from Harassment Act 1997.

The disciplinary action taken against a pupil might include detention, fixed term or permanent exclusion. Whatever action is taken will be discussed with the parent of the pupil concerned at an early stage.

## 7. Bullying

### 7.1 What is Bullying?

According to the DfE document 'Preventing and Tackling Bullying – Advice for Head teachers, staff and Governing Bodies, bullying may be defined as:

"Behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally".

Specific types of bullying include those relating to:

- race, religion, culture or gender;
- SEN or disabilities;
- appearance or health conditions;
- sexual orientation;
- young carers or looked after children or otherwise related to home circumstances;
- sexist or sexual bullying.

It can take place between pupils, between pupils and staff, parents and staff or between staff; by individuals or groups; face-to-face, indirectly or using a range of cyber bullying methods.

Acts of bullying can include:

- name-calling;
- taunting;
- mocking;
- making offensive comments;
- kicking;
- hitting;
- pushing;
- taking belongings;
- inappropriate text messaging, emailing or 'posting' on social media sites;
- sending offensive or degrading images by phone or via the internet e.g. via Social media sites;
- producing graffiti;
- excluding people from groups;
- spreading hurtful and untruthful rumours.

Many experts believe that bullying involves an imbalance of power between the perpetrator and the victim. This could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves. The imbalance of power can manifest itself in several ways. It may be physical, psychological (knowing what upsets someone), derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate. It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

Cyber bullying can be defined as the use of information and communications technology particularly mobile phones and the internet, deliberately to upset someone else. Cyber bullying that occurs while pupils are under the school's direct supervision will be dealt with in line with this Policy and procedures (Whole School Behaviour Policy and procedures).

In cases where cyber bullying occurs while pupils are outside our direct supervision (i.e. at home), parents will be encouraged to report these incidents to the police as criminal laws (such as those pertaining to harassment, threatening and menacing communications) may apply. Parents are also encouraged to report such bullying to the school. If the alleged perpetrator is a member of this school community, the school will take action in line with this Behaviour Policy and procedures. The school wherever possible will support parents in this, and may impose a sanction upon the bully where this individual is recognisable.

## **7.2 The Law**

The School endeavours to comply with the legal requirements placed on schools and the Governing body to determine detailed measures (rules, rewards, sanctions and behaviour management strategies) that "encourage good behaviour and respect for others on the part of pupils and in particular preventing all forms of bullying among pupils" Education and Inspections Act 2006 , section 89. The school will exercise its legal powers (as outlined in section 89/5) and (section 91, Education and Inspections Act 2006) as deemed appropriate and practicable.

Schools are required to comply with the new equality duty 'The Equality Act 2010'. The public sector equality duty has three aims:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

## **7.3 Reporting and Recording Incidents of Bullying**

Pupils and parents are encouraged to report bullying to any member of staff. Incidents are, in the first instance, referred to the pupil's Class teacher to be investigated, appropriate action taken and parents will be informed promptly using usual school procedures. Pupil voice is important at this school and pupils are encouraged through various means to report any incidents of bullying behaviour which they encounter personally or become aware of. This is reinforced via assemblies, PSHE and during class/circle time. The Whole School Behaviour Policy and procedures also reinforces the school's expectation as to how members of the school community should conduct themselves. A log will be maintained of racist incidents and information on incidents of bullying. All reported incidents of bullying will be recorded regardless of the outcome of the investigation.

## **7.4 Tackling Bullying**

The aim of any anti-bullying intervention is to safeguard and support the victim, discipline and modify the behaviour of the bully with a view to prevent, de-escalate and stop further incidents of harmful behaviour.

## **7.5 Strategies for Dealing with Bullying**

- Ensuring that there is a promotion of an open and honest anti-bullying ethos in the school
- Investigate all allegations of bullying

- PSHE programme that discusses issues such as diversity and anti-bullying messages
- Assemblies - both whole school and class/form that promote a sense of community
- Class discussions and role plays in Drama, English and RE that draw out anti-bullying messages
- Circle time
- Online safety is discussed in lessons.
- On-going staff training
- Adequate staff supervision at lunch and break times
- Clear and consistently applied policies for Behaviour and Uniform
- Home school agreement
- Promotion of School Values

## 7.6 Strategies for Dealing with the Bully

- Disciplinary sanction imposed
- Engage promptly with parents to ensure their support and involvement
- Restorative justice approaches taken as appropriate
- Work with the educational psychologist or other outside agency
- Anger management strategies discussed

## 7.7 Strategies to Support a Victim

- Disciplinary sanctions as appropriate applied to the bully
- Counselling offered
- Mediation
- One to one parental interview, parental support and involvement
- Self-assertive strategies discussed

## 8. Drugs and Drug-Related Incidents

### 8.1 General

Drugs Education forms part of the PSHE programme

- Current research indicates that drug use, both legal and illegal, is rising amongst young people.
- We do not support the misuse of tobacco, alcohol, solvents, illegal drugs and medicines by members of the school.
- Under no circumstances will the supply or sale of illegal drugs on the school site will be tolerated.
- The school believes it has a duty to inform and educate young people on the consequences of drug use and misuse.
- Fundamental to our school's values and practice is the principle of sharing the responsibility for education of young people with parents and carers by keeping them informed and involved at all times.
- Whilst we acknowledge that some young people will use and misuse substances, it is seen as important to recognise that the remainder of young people are choosing not to use or misuse substances. We will help individual learners according to their differing needs.

### 8.2 Responsibilities

Julie Paisley is the Designated Safeguarding Lead, along with the Deputy Safeguarding Lead, Janet McArdle, she has a responsibility to support other members of staff with their concerns in this area.

Drug prevention is a whole school issue. All staff, both teaching and support staff, will be made aware of these procedures and how they relate to them should they be called upon to deal with a drug-related incident.

The site-manager regularly checks the school premises – any substances or drug paraphernalia found will be reported to the Head teacher and Senior Leadership Team and dealt with in accordance with these procedures.

### 8.3 Dealing with Drug-Related Incidents

The following provides our framework for dealing with incidents surrounding the use, suspicion of use and finding of drugs and substances. We recognise that drug use can be a symptom of other problems and, where appropriate, we will involve or refer pupils to other services. Within our school the following guidelines apply to the possession or use of drugs, alcohol and tobacco on school premises:

#### **Medicines**

Where pupils are prescribed medicines, cases will be dealt with on an individual basis and appropriate procedures will be followed (e.g. safe storage and administration of medicines in line with national guidance). Information for parents on this issue is available on request from the school.

#### **Tobacco**

In line with legislation, the school has operates a 'No Smoking' policy in the building and on the school site. This also applies to the use of e-cigarettes.

#### **Alcohol**

No alcohol is consumed during the course of the normal school day. Those hiring the school premises are not allowed to consume alcohol on site unless it has been authorised by the Governing Body and forms part of the Lettings Contract.

#### **Solvents**

The school will ensure that potentially harmful substances are stored safely, and pupils will be supervised carefully where such substances are used in the course of their work. The use of aerosol deodorants will be discouraged because of the potential risks to people with asthma or other bronchial problems.

#### **Illegal substances**

Illegal or illicit substances must not be brought to school or used on school premises.

### 8.4 What to do in the event of finding a drug or suspected illegal substance

- (1) Take possession of the drug/substance and inform the Head teacher/Senior Leadership Team member who will inform the Head teacher at the first available opportunity.
- (2) In the presence of a witness the article should be packed securely and labelled with the date, time and place of discovery.
- (3) The package should be signed by the person who discovered it and stored in a secure place.
- (4) The Head teacher will always involve the school's link community liaison police officer in the case of suspected drugs or illegal substances in school
- (5) In the event of discovering a hypodermic needle, the incident should be recorded and the following procedure should be observed in order to protect all persons:
  - Do **NOT** attempt to pick up the needle.
  - If possible, cordon off the area to make it safe.
  - Inform the Head teacher/Senior Leadership Team member.
  - The needle should be placed in a sharps box or other secure metal box and disposed of via a local medical surgery

### 8.5 What to do in the event of finding or suspecting a pupil is in possession of a drug/drug paraphernalia

- (1) Request that the pupil hand over the article(s).
- (2) Having taken possession of the substance/paraphernalia, the procedure should be followed as above.
- (3) **EXTREME CARE SHOULD BE TAKEN IF HYPODERMIC NEEDLES ARE INVOLVED.**

If a pupil refuses to hand over articles a search may be required - it should be noted that in accordance with current DfE advice:

- The Head teacher and other authorised staff can search bags etc. without the permission of the pupil when looking for prohibited items.
- Teachers can search a pupil's outer clothing so long as a witness is present without the consent of the pupil. The personal search must be undertaken by a teacher of the same sex with the witness being the same sex wherever possible. Reasonable force may be used in order to complete the search.
- Pupils should be given the opportunity to empty their pockets, bag, etc. in the presence of a witness.

## **8.6 Procedures for dealing with a pupil suspected to be under the influence of a drug or substance**

Stay calm, place the pupil in a quiet area, do not leave on their own and seek medical advice from the school's first aider who will assess the situation and act appropriately, the Head teacher/Senior Leadership Team member must also be informed.

Any suspected substances found should travel with the pupil if removed from the school for treatment. Vomit should be safely collected where possible by the school's First Aider and also taken with the pupil (for analysis).

All drug related incidents will be recorded.

## **8.7 When to contact the police/disciplinary action**

The police will always be contacted in situations where controlled drugs are found. Any decisions made on the appropriate disciplinary action to be taken will take the police advice into consideration.

- Where controlled drugs are found, these will be delivered to the police as soon as possible.
- Alcohol will be disposed of. Under no circumstances will alcohol be returned to the pupil.
- Tobacco or cigarette papers will also be disposed of in the same way as alcohol.
- If other substances are found which are not believed to be controlled drugs, these will be confiscated and disposed of in accordance with the school's procedures. This would include, for example, so called 'legal highs'. Where staff suspect that a substance may be a controlled drug, they will treat them as controlled drugs and follow the procedure above.

In the event of a drug-related incident in the school, the school would co-operate with the police should they wish to search the premises.

As a result of a drug-related incident, the pupil(s) concerned will be subject to disciplinary action. This action may result in a fixed term exclusion and in the most serious of cases would result in permanent exclusion.

## **8.8 Procedures for dealing with drug-related incidents involving adults**

The following examples are situations where concerns about drug misuse or related behaviour involve a parent or other adult rather than pupils:

- Adults may attend school premises under the influence of alcohol or drugs.
- A parent or adult may attempt to remove a child from school premises during or at the end of the school day whilst under the influence of alcohol or drugs.
- An adult may behave aggressively, intimidate or threaten staff or assault school staff or pupils whilst appearing to be under the influence of alcohol or drugs.
- School staff may be concerned that a parent or family member's drug misuse may put the child at risk.
- An adult may be involving pupils in drug misuse or the supply of drugs to pupils.

These examples are not exhaustive and in each case, the Head teacher will take into account the safety of the whole school community including staff when determining the appropriate course of action.

Where, in the opinion of school staff, it is thought that an adult is unable to provide appropriate care and supervision of a child because they are under the influence of drugs or alcohol, they will first attempt the contact an alternative adult carer for the child before contacting the LA Social Care Services and, if necessary, the police.

Where there are concerns over the safety of the child, school staff will attempt to persuade the adult not to leave the premises with the child until appropriate assistance arrives. If the adult insists on leaving the school, staff will immediately contact the police. This will also be the case if an adult becomes threatening or aggressive.

If school staff have concerns about an adult or adults supplying drugs on or near school premises, or to any of the pupils outwith school premises, the Head teacher or other member of staff will consult with the police.

## **9. Behaviour of Parents and Other Visitors to the School**

The School encourages close links with parents and the community. We believe that pupils benefit when the relationship between home and school is a positive one. The vast majority of parents, and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions when a negative attitude towards the school is expressed, this can result in aggression, threatening behaviour, written, verbal and/or physical abuse towards a member of the school community.

Violence, threatening behaviour and abuse against school staff or other members of the school community will not be tolerated. When formulating our procedures, reference was made to the DfES document 'A Legal toolkit for schools – Tackling abuse, threats and violence towards members of the school community' and DfE non-statutory guidance 'Advice on School Security: Access and barring of individuals from school premises' (December 2012). A poster indicating that such negative behaviour is not acceptable is displayed in the school reception area.

Our school expects and requires staff to behave professionally in these difficult situations, and to attempt to defuse the situation where possible, seeking the involvement as appropriate of other colleagues. However, all members of the school community (including other parents and visitors) have the right to visit and work without fear of violence and abuse, and the right in an extreme case, of appropriate self-defence.

We expect parents and other visitors to behave in a reasonable way towards other members of the school community. The following outlines the steps that will be taken where parent or visitor behaviour is unacceptable.

### **9.1 Types of behaviour that are considered serious and unacceptable**

The following list outlines the types of behaviour that are considered serious and unacceptable and will not be tolerated towards any member of the school community. This is not an exhaustive list but seeks to provide illustrations of such behaviour:

- Shouting, either in person or over the telephone.
- Speaking in an aggressive/threatening tone.
- Physical intimidation e.g. standing very close to her/him.
- The use of aggressive hand gestures/exaggerated movements.
- Physical threats.
- Shaking or holding a fist towards another person.
- Swearing.
- Pushing.
- Hitting, e.g. slapping, punching or kicking.
- Spitting.
- Racist or sexist comments.
- Sending inappropriate or abusive e-mails to school staff or to the general school e-mail address
- Publishing or posting derogatory or inappropriate comments which relate to the school, its pupils or staff/volunteers on a social networking site
- Breaking the school's security procedures

Unacceptable behaviour may result in the Police being informed of the incident.

## 9.2 Procedures for Dealing with Unacceptable Behaviour

When a parent or member of the public behaves in an unacceptable way during a telephone conversation, staff at the school have the right to terminate the call. The incident will be reported by staff to the Senior Management Team. The school reserves the right to take any necessary actions to ensure that members of the school community are not subjected to verbal abuse. The school may warn the aggressor, temporarily or permanently ban them from the school site, and/or contact the police.

When any parent or visitor behaves in an unacceptable way in person towards a member of the school staff a member of the Senior Management Team will seek to resolve the situation through discussion and mediation. If necessary, the school's complaints procedure should be followed. Where all procedures have been exhausted, and aggression or intimidation continues, or where there is an extreme act of violence, the discussion will be terminated and the visitor will be asked to leave the school immediately. It is also an offence under section 547 of the *Education Act 1997* for any person (including a parent) to cause a nuisance or disturbance on school premises. The police will be called if necessary. The perpetrator may also be banned from the school premises for a period of time, which will be determined by the school.

Prior to a ban being imposed, the following steps will be taken:

- Depending on the severity of the incident, the individual may first be issued with a written warning stating that if a similar incident occurs, the individual concerned will be banned (temporarily or permanently) from the school premises.
- In more serious cases, the individual will be informed, in writing, that she/he is banned from the premises temporarily, subject to review, and what will happen if the ban is breached.
- Extreme incidents will result in a permanent ban being enforced immediately. The individual will be informed in writing of the permanent ban but will be given the right to appeal in writing against the decision.
- In all cases, parents will still have the opportunity to discuss any issues relating to their child with school staff.
- Incidents of verbal or physical abuse towards staff may result in the police being informed, and may result in prosecution.

If an individual is intimidating, threatening or aggressive towards a member of the school community any interaction will be terminated immediately and the person will be instructed to leave the premises. Further action may be taken by the school.

The School will take action where behaviour is unacceptable or serious and breaches this Whole School Behaviour Policy.

## 9.3 Unacceptable Use of Technology

The School takes the issue of unacceptable use of technology by any member of the school community very seriously.

We expect parents and other adults within the school community to act responsibly when using on-line technologies. The expectation of parents is set out on page 2. Failure to comply with these expectations could result in parents and/or other adults being banned either temporarily or permanently from the school site, and the incident may be reported to the police.

Acceptable use agreements exist for pupils, staff and governors of the School and form part of our E Safety Policy and procedures.
