

'Could do' – Grid

Some practical ideas you may like to try.

Write a card to a friend or neighbour that may need cheering up.	Spend time looking at the clouds and talk about what you see. Are the clouds in the shape of a pineapple, a dinosaur or a dog? Watch as the clouds move and change shape.	What might you wear as a guest to a wedding? Have a look through your wardrobe and choose an outfit you think would suit the occasion. What might you wear to go out in the rain? Choose an outfit you think would suit this occasion. Is there anything the same? Is there anything different in your choices - if so, why?
Choose 5 books and order them alphabetically by their title. Write down the alphabet and use this to help you order them.	Practical Maths Ideas! Lego Maths – more or less! Number Bonds to 10! Doubling Numbers! <i>See attached sheet for some practical maths ideas that you may like to try.</i>	Have a go at cleaning! Maybe your wellies need cleaned, your bike needs washed or there is dusting to be done around the house. Find out about what products you will need for the job. A sponge, duster, warm water, rubber gloves?
Celebrate! It's Chinese New Year on 12 th February. What year were you born? Which animal in the Chinese Zodiac are you? Use the Chart attached to find out.	Try a new food – maybe a fruit or vegetable. Look at the packaging, where does it come from? What does it taste like, does it taste like anything you have eaten before? Did you like it? Can you think of an adjective (describing word) to describe the food? E.g sour, sweet, delicious.	Research some of the celebrations and traditions surrounding Chinese New Year e.g. dancing, food, gifts, traditional dress.
