

Golden Girl Caught in the Act!

Goldilocks Granger (aged 12 ½ years) was arrested yesterday on charges of burglary and damage to property.

At approximately 9.30am yesterday morning, Nut Forest Police had a report of a disturbance at the cottage of three bears and went to investigate.

When they arrived they found three very distressed, brown bears who had suffered a terrible shock. The bears live in a lovely quaint cottage at the edge of Nut Forest, it is well known for its beautiful garden.

They had left their home earlier in the morning, while their breakfast cooled down. Unfortunately, when they returned there was a terrible shock awaiting them. Someone had eaten Baby Bear's porridge, broken his chair AND slept in his bed!

Baby Bear, a male, who is only 3 years old, was upset but managed to speak to reporters. He said "My fur is still shaking from the shock but Mummy has made me some new porridge and we are going to get nice new chair."

Daddy Bear (a 32 year old forest worker) was too angry to speak however we heard a lot of growling from inside the house and he is thought to have been heard threatening to eat Goldilocks if he got hold of her!

Detective Fox told Woodland Press "We believe that someone unlawfully broke into the cottage of the three bears and caused damage to their home"

Mrs Brenda Bear was distraught at the scene

No-one from Goldilocks' family was available to comment on what has happened or if it was really her that did it. Although a girl in Red who claimed to be a close friend revealed "She is always hungry and will do anything to get food"

A neighbour spoke to reporters "Goldilocks is a sweet, kind little girl. I just can't believe she is capable of such wickedness. Maybe they have the wrong person." She insisted.

Police have asked people living in the wood to be more security conscious "If you do go out please make sure your doors and windows are locked" urged Detective Fox.

Goldilocks will appear in court tomorrow morning to answer the charges.
