

Year 6 – Where Do I Belong?

Monday

Look at the attached PowerPoint of the book 'Window' What do you think the main message of this book is? What can you see out of your window? Using the first page and the last page, can you explain how the environment has changed? How does this make you feel?

Tuesday

Look out of your window. What can you see? Photograph or draw a picture of your view. Carry out some research on the history of where you live. Can you draw what the view would have been 10 years ago and what you predict the view will be in another 10 years. How has the world around you changed?

Wednesday

Choose another country and city or village in the world and compare the view from your window with theirs. You may want to choose an underdeveloped country or one which is overdeveloped. The choice is yours. Can you tell me all about the view from a window in a creative way? Drama, collage, PowerPoint, cooking etc..

Thursday

How has the world changed in the last 50 years? Which changes have been for the better? Listen to Earthsong. What has changed for the worse? Choose an environmental issue to research. Deforestation, Climate change, pollution, littering are some ideas. What could you do to help make the planet a better place?

Friday

A perfect world.

Today, I would like you to present your perfect world. Read the poem and think about how your perfect world would look. Can you create a piece of poetry or a collage to show this?

Extra Activities:

Interview someone you know about how the area where they live has changed over time.

Create your family tree. How far back through the generations can you go?

Create a time capsule to remember the positives of lockdown – attached files.

Create a family fun day to celebrate the end of home schooling. You could create activities or make a meal for everyone to share.

Wellbeing:

Enjoy spending some time in the fresh air.

Try to complete some of the 50 things to do before you are 11 and $\frac{3}{4}$.

Complete the 'you can draw' activities with your family.

Have a go at some exercises and dances on the 'GoNoodle' website.

Art Activities:

Create a window display to make people around you smile.

Create a collage showing the view from your window.

Create a scale drawing of your house.

Using recycled materials, can you build a model town?

Create a family portrait using any media you would like.

Using a shoe box, create a diorama of part of your perfect world.
