Which materials are soluble and which are insoluble?

Demonstrate how mixed materials be separated.

Can you give an example of an irreversible change?

DEAR PARENT

To help our pupils learn more and remember more, we are including a '**Quiz Me Questions**' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it to two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

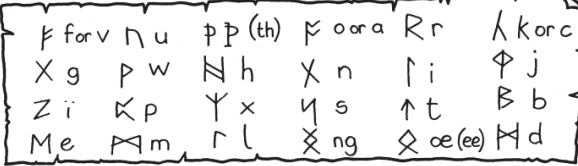

We hope you enjoy talking with your child about their learning in school!

If you have any questions, please don't hesitate to contact us.

Mrs Lambert and Mrs Shennan (Class Teachers)

HISTORY

• These runes made up the Anglo-Saxon alphabet.

1. Can you write a secret message using runes?
2. Why did the Anglo-Saxon want to settle in Britain?
3. What was it like in an Anglo-Saxon village?

RELIGION AND WORLDVIEWS

- Where in the bible is the Christmas story?
- What do you think is the most important part of the Christmas story?
- Explain why Jesus was a refugee.

COLLECTIVE WORSHIP

COMPASSION

Christians believe that their attitudes and actions must reflect the kindness, mercy and compassion of Jesus and the love of God for everyone.

- What can we learn from the story about how we treat one another?
- What is Jesus teaching about who we show compassion to?
- How would the world be different if more people showed compassion?

DT

Why do you use 'strong' flour when you make bread?

What happens to the dough when you leave it to 'prove'?

Can you make some bread at home? Try a recipe of your own.

FRENCH

- Do you use un or une with feminine nouns?
- What system is used to organise words in a French-English dictionary?
- Which of these nouns are feminine nouns?
escargot, abeille, souris, lapin

PE
