SCIENCE

Materials

Can you sort your recycling at home into plastic and cardboard?

What words describe these materials (strong, waterproof, flexible and/or stiff)?

What items are made of plastic in your house?

What does flexible mean?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Question' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

- Describe key aspects of what they have been learning.
- Recall key facts and knowledge.
- Explain how something works and if appropriate demonstrate their skill in this area.
- Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.
- Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

RELIGION AND WORLDVIEWS

What is the big story of the Bible?

Which Bible stories can you remember from discussions?

Can you talk about your artwork and the story it tells?

COLLECTIVE WORSHIP

Fruits of the Spirit

Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.
