Can you name some spring plants?

Can you name a plant that grows from a bulb and name a plant that grows from a seed?

MATHS

Money

Can you recognise and name all coins and notes?

Multiplication & Division

What can you count in 2s, 5s and 10s?

Can you share your Lego/toys between 2 or 5 friends equally?

DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz Me Question' grid to help you ask your child about what they are and have been learning at school.

We are including different types of questions and limiting it two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

- Describe key aspects of what they have been learning.
- Recall key facts and knowledge.
- Explain how something works and if appropriate demonstrate their skill in this area.
- Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.
- Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

ART

Painting & Mixed Media

Can you name the primary and secondary colours?

How can you make a colour lighter or darker?

Can you use collage to create a piece of artwork?

MUSIC

Can you find the pulse in your favourite song?

Can you make up a simple rhythm for someone to copy?

RELIGION AND WORLDVIEWS
