YEAR 3  
AUTUMN TERM 2 2023  
QUIZ ME QUESTIONS

## ENGLISH

### Information Texts

- What is a subheading?
- Find out an interesting fact about an animal.
- Write a sentence in the third person (they, he, she, their).
- Describe the main features of a non-fiction text.
- Can you start a sentence with one of the joining words below?

|           |                         |                    |
|-----------|-------------------------|--------------------|
| Because   | As a <u>consequence</u> | As a <u>result</u> |
| Therefore | As                      | So                 |
| So that   | Due to                  | This leads to      |
| Thanks to | Which means             |                    |

## DEAR PARENT

To help our pupils learn more and remember more, we are including a 'Quiz ME Question' grid to help you ask your child about what they are, and have been, learning at school.

We are including different types of questions and limiting it to two or three for each curriculum area.

We hope the questions will help you engage in meaningful chat with your child(ren) about their learning at school and encourage them to do a variety of things including:

Describe key aspects of what they have been learning.

Recall key facts and knowledge.

Explain how something works and if appropriate demonstrate their skill in this area.

Analyse their thoughts and responses with you in greater detail and begin to ask further questions to further develop their understanding.

Make links with what they already know, have experienced and are able to do.

We hope you enjoy talking with your child about their learning in school!

"EVERYTHING YOU DON'T  
KNOW IS SOMETHING YOU  
CAN LEARN"

## DESIGN TECHNOLOGY

### Moving mechanism Christmas cards.

- Describe how a lever can be used to make things move.
- Find some moving parts in your house and describe how they work.
- Create a questionnaire to find out what people in your family would like in a moving part Christmas card.

## RELIGION AND WORLDVIEWS
