

## GEOGRAPHY

Draw a map of your street. Label your house and the things in your area that are important to you.

Can you find Dalston/Carlisle on a map of the UK?

Can you identify Cumbria?

Can you identify the countries of the UK?

Look on a world map. Can you identify the continent of Europe?

Can you identify different places you have been to on holiday either in the UK or abroad?

If you travel abroad you need a passport.

*Can you make your own passport? You can use the worksheet provided or use your imagination to create your own.*

*(Monday activity with video on Seesaw)*

## GEOGRAPHY

Where would you like to go on holiday?

Would it be somewhere hot with a beach or somewhere cold with a snowboard?

You now have a passport ready. Find your ideal destination on a world map.

*What would you take in a suitcase? Think about the weather. Use the worksheet provided to tell me what you would pack or use your imagination and create your own.*

*(Tuesday activity with video on Seesaw)*

## WELLBEING

Paddington Bear had a label/tag that reminded everyone to 'Please look after this bear' and that he was arriving in London from Peru.

Can you make a label for yourself?

Draw a picture of yourself on it and write a list of different things that make you happy. How many things on the list can you do this week?

## WHERE DO I BELONG?

*Activities in italics will have a video with extra explanation uploaded on Seesaw during the week.*

## ART

- Look at Henry Moore's sculpture 'Family Group'. Can you use clay or play doh to create a sculpture of your family?
- Look at Claire Brierley's commissioned paintings of people's homes. Use her work as an inspiration to complete a painting of your own home.  
*(Wednesday activity with video on Seesaw)*
- Look at Vincent Van Gogh's self-portrait. We have previously looked at his style of painting. Create your own self-portrait being inspired by his style.
- Look at the work of Jane Perkins. We have previously looked at her work and she said, "I love art with the element of fun and the unexpected, and hope my work will make you smile!" Create a piece of artwork, using recycled materials that will make you and your family SMILE!

*(Thursday activity with video on Seesaw)*

## WELLBEING

*Listen to the fun song from Toy Story 3 all about belonging. Often friends might have a special handshake for their friendship so they know that they belong.*

*(Friday activity with video on Seesaw)*

Can you make a special handshake for your family?

Once you have had a chance to practise –

How many times can you do the 'family handshake' whilst the song is playing?

## WELLBEING

St Michael's CE Primary School has a school badge.

Can you find it on your school hoodie, PE kit or letters from school?

Are the colours important on the badge?

How do you feel when you wear the school badge?

The school badge shows that you are part of our school community.

Can you design a new badge?

Can you think of some words to go with your design?
