

St. Michael's Homework – Class 2

Spring Term

All homework is split into two sections. Section A is compulsory homework which should be completed each week. Section B is “choices” homework. This half term children should choose at least 5 boxes from Section B to complete. Once they have completed them please sign and date the box. “Choices” may require your child to bring something in to school, to find out about something or to take part in something. Each class will have a special board to display anything the children have completed linked to homework and we would encourage them to bring samples in. If it is easier to email please do – admin@st-michaels.cumbria.sch.uk and mark it for the attention of the class teacher.

“Choices” are generally linked to the class topic or Science learning that they are currently involved in.
This is very much aimed at making homework purposeful and using it as a tool to support their learning in school. Have fun and be creative!
