

St. Michael's Homework – Class 4 – Summer Term (2)

All homework is split into two sections. Section A is compulsory homework which should be completed each week. Section B is “choices” homework. This half term children should choose at least 4 boxes from Section B to complete. Once they have completed them please sign and date the box. “Choices” may require your child to bring something in to school, to find out about something or to take part in something. Each class will have a special board to display anything the children have completed linked to homework and we would encourage them to bring samples in. If it is easier to email please do via homework@st-michaels.cumbria.sch.uk and mark it for the attention of the class teacher. “Choices” are generally linked to the class topic or Science learning that they are currently involved in. This is very much aimed at making homework purposeful and using it as a tool to support their learning in school. Have fun and be creative! **Please note: all pieces of homework are due in by Thursday 19 July 2018.**

<p>Research a religious piece of clothing. What religion is it associated with? Why do they choose to wear it?</p>	<p>Write about your favourite piece of clothing. Talk about why it is your favourite, how long have you had it and who bought it for you. Then describe what it's like. Think about the colours, patterns and logos.</p>	<p>Do you have a piece of clothing you no longer need? Can you recycle it by taking it to a charity shop or giving it away?</p>				
<p>Visit a few different clothes shops and compare the boys' and the girls' clothes. How are they similar? How are they different? Are you happy about the choice of clothes offered to both boys and girls? Make a poster to explain your findings and include your opinions.</p>	<p>Make a cake or biscuit in the design of a piece of clothing.</p>	<p>Find at least two tops in your wardrobe made from different materials. Complete a circuit of shuttle runs, star jumps and sit ups (or anything else you would like to do) for 3 minutes. Give yourself a rest and then do the same wearing the other top. Was it more comfortable wearing one top rather than the other? Did one make you hotter than the other? Note down your findings.</p>
